1. Truckee Tahoe Workforce Housing Joint Powers Authority (TTWHA) Update – Lauren Tapia

https://ttjpa.org/

CSG Advisors recommended that TTWHA explore transitioning from its existing JPA structure to a Regional Housing Finance Authority (RHFA) under SB 440. An RHFA could provide dedicated regional housing funding, expand workforce housing opportunities, and strengthen collaboration among member agencies. The Board discussed funding, governance, political support, and the preservation of existing programs. The Board unanimously directed staff to gauge interest from the jurisdiction's elected officials and report back in January 2027**.** This action does not authorize formation of an RHFA, but allows further exploration of its feasibility. The Board also received Sierra Business Council's final Policy Platform.
