

Emergency Preparedness

CAN THE DISTRICT ENHANCE THEIR POSITION TO
DELIVER SERVICES DURING EMERGENCIES ?

Team

- ▶ Andrew Terry (Lead)
- ▶ Tom Combs

Status

- ▶ A couple of informal interviews
 - ▶ Victor Hernandez (Chair of Truckee Fire Protection District Board)
 - ▶ Phred Stoner (needs no introduction)
- ▶ A few initial findings
 - ▶ TTAD already does a lot, which could be publicized more widely
 - ▶ Need to scope to types of emergency ... aviation, local (Truckee), regional
 - ▶ The region is relatively well prepared due to its somewhat geographical isolation and the existence of a regional hospital
- ▶ A draft document is under development
 - ▶ Plenty of possibilities for recommendations
 - ▶ need to be vetted against needs of the Nevada and Placer Sheriff's departments who tend to lead bigger emergency response actions
