Kevin Smith, General Manager
Truckee Tahoe Airport
10356 Truckee Airport Road
Truckee, CA 96161

Dear Mr. Smith,

The Town of Truckee wishes to express thanks to the Truckee Tahoe Airport for the use of the Airport's taxiway parking area to conduct watercraft inspections. The 2016 inspection season was a success with over 2000 individual watercraft inspected at the Airport inspection site, and over 500 of those required decontamination. The Airport's participation was a tremendous asset to the Truckee Tahoe region.

The Town is already planning for the 2017 inspection season. With that in mind, the Town is looking for a more permanent location to conduct watercraft inspections. We are asking the Truckee Tahoe Airport to consider a long term lease of land with the Town for the site of this inspection location. As discussed in earlier meetings between Airport and Town staff, a possible location would be at the corner of Soaring Way and Aviation Way. The site would be improved so that it could accommodate the inspection of watercraft during the inspection season of April through October with the possibility of expanding the program to year round inspections, with minimal disruption to Airport operations.

The Town is interested in pursuing this option and would like to discuss the matter further. I am available by phone at (530) 582-2920 or email at dolsen@townoftruckee.com.

Sincerely,

Dan Olsen
Police Support Services Manager
