

January 2017 Ops & Comments

Truckee Tahoe Airport District

OPERATIONS

* **Floods. Record snowfall. Mud and Rock Slides. Regional Power Outages. Jan was fully impacted by weather.**

* **1,212 operations, down 213, 15% drop**

* **Helicopter ops grew based on many utility service missions.**

January Comparison		
	2016	2017
Piston	655	485
Turboprop	501	462
Jet	206	178
Helo	63	87
Total	1425	1212

* **Operations monitoring downtime due to buried cameras and power interruptions at remote stations. Based on Runway closures and prohibitive flying weather, this did not largely impact data output.**

* **NOTAM for wing clearance over 53' rerouted multiple aircraft**
