ACTION ITEMS

KTRK Familiarization Program: Ms. Greenwood updated the ACAT on the pilot familiarization program. ACAT took action and recommends the Board fund the program for an initial cost of \$10,000.

KTRK Familiarization Program

The program is designed to inform itinerant, local, and student pilots of Truckee's unique aeronautical ecosystem. The program goal is to enhance the knowledge of Truckee's local airspace and the surrounding area to ensure proficiency with prescribed procedures. Feel confident flying at the Truckee Tahoe Airport. Learn skills from a local CFI and help the airport be a great neighbor!

Who qualifies?

Open to all pilots
and student pilots

Value: \$150

ACTION ITEMS

TRAILS PROJECT PHASE TWO: ACAT moved to approve an expenditure not to exceed \$15,000 to hire a consultant. The project goal is to explore grant opportunities allowing the construction of trails on airport property connecting the legacy trail to the Northstar/Martis Valley trails system.
