ACTION ITEMS

Minutes of the April 10, 2018 Regular ACAT meeting were approved

Trails Phase II Project

The ACAT directed staff to solicit bids from qualified firms to implement a 2nd phase of the TTAD Trails Master Plan. The plan has two required components:

1. Develop and organize a group of stakeholders who can connect trails within the Martis Valley.
2. Find funding alternatives that the TTAD can share in to develop trails within the Martis Valley.

Three firms responded to the request for proposal. The committee will recommend selection of a consultant at the July 10th meeting and begin work immediately.

SUBCOMMITTEE REPORTS

Mountain Top AWOS: Staff updated ACAT on the letter of support being distributed to the pilot community through the pilot outreach coordinator. Congressional support meetings are scheduled for June 18th-20th, 2018 where this will be discussed.

Non-Aero Land Use: Staff updated ACAT and members of the Non-Aero Land Use Committee on recent meetings and progress.

Pilot Incentives: Staff gave an update on the Visiting Pilot Familiarization Program.

Pilot Messaging: No Report

Member Reports

Member Diamond's Communication Project: Member Diamond described a possible enhancement to the current airport communications strategy. ACAT discussed possible concepts. Staff will return with a full presentation of communications strategy and implementation at the July meeting to determine next steps.

Member Rohlf and Member Kruger Community Sponsorship Project: ACAT requested clarification on the airport Policy 311. Staff gave an overview and an annual update. ACAT requested additional material and staff will provide material on strategy and implementation at the July meeting to determine next steps.

Adjournment: ACAT adjourned at 11:20 AM
