## ACTION ITEMS

Minutes of the June 10, 2018 Regular ACAT meeting were approved

### Trails Phase II Project

The ACAT awarded a contract to the Truckee Trails Foundation to implement a 2<sup>nd</sup> phase of the TTAD Trails Master Plan. The plan has two required components:

1. Develop and organize a group of stakeholders who can connect trails within the Martis Valley.
2. Find funding alternatives that the TTAD can share in to develop trails within the Martis Valley.

Three firms responded to the request for proposal, the ad-hoc committee agreed the Truckee Trails Foundation offered the District the best overall value, experience, and past performance.

## SUBCOMMITTEE REPORTS

**Mountain Top AWOS:** Staff updated ACAT on the letter of support being distributed to the pilot community through the pilot outreach coordinator.

**Non-Aero Land Use:** Staff updated ACAT and members of the Non-Aero Land Use Committee on recent meetings and progress.

**Pilot Incentives:** Staff gave an update on the Visiting Pilot Familiarization Program.

**Pilot Messaging:** No Report
