## ACTION ITEMS

### ACAT Standing Subcommittees

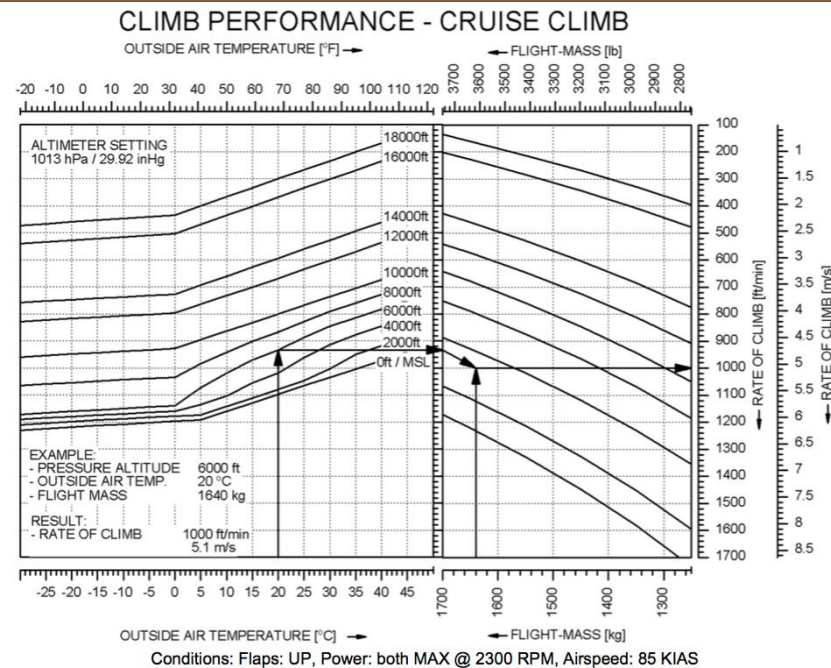

ACAT concluded work with the Non-Aeronautical Land Use and Mountain Top AWOS subcommittees. This work has transferred to Staff and monthly progress and guidance will be discussed at monthly ACAT meetings. ACAT created an Aviation Community Benefits subcommittee to enhance aviation benefits.

## ACTION ITEMS

### Aircraft Modification Opportunity

Sky Dive Truckee Tahoe presented an aircraft modification opportunity. This presentation focused on a super charger modification designed to improve climb performance, reduce community annoyance through a reduction of noise duration and an increase in altitude in areas of residential overflight. ACAT made a motion, the motion failed and ACAT directed Staff to accomplish some noise and performance testing. ACAT will revisit this in November.

## SUBCOMMITTEE REPORTS

**Mt. Top AWOS:** Staff is meeting with Squaw Valley.

**Non-Aero Land Use:** GM provide an update. As this project is well defined and has an active Board of Director Ad Hoc Committee, ACAT is concluding their subcommittee.

**Airport Trails Network:** Staff has meet with Town Staff, JMA Ventures & Truckee Trails Foundation.

**Pilot Messaging:** Member Fast updated the group on the airfield sign inventory and upgrade project.

**Staff Report:** Staff updated ACAT on potential training opportunities, updated hiring activity, and recent airport regulatory rulings.

**ACAT Member Report:** Member Fast outlined a new project aimed at enhancing the aeronautical benefit of the airport to the community at large.

**Adjournment:** ACAT at adjourned at 11:58 AM.
