Item 2 – Rental Car Request for Proposal Update

RFPs for the available rental car space were due on March 15, 2021. Staff received 3 proposals from Avis, GoRentals, and Hertz. Staff is in process of reviewing these proposals and will provide a full report and recommendation to the Board at the April 28, 2021 Board Meeting. Enterprise continues to lease the 2nd Rental Car Space.

Item 3 – Regional Air Service Corporation Board Meeting Update

I attended our Quarterly RASC meeting on March 1, 2021. COVID-19 has been particularly hard on commercial service hub airports. Things are starting to look better for the travel industry and airlines. January and February saw an increase in enplanements at RNO (see attached) but still well below pre-pandemic numbers. RASC continues to leverage the collective resources of the membership to add additional non-stop destinations as well as cheaper air fare. The most recent non-stop addition is RNO to Charlotte on American which will start in June of 2021. JSX is also having success operating from RNO to Orange County and Burbank which RASC helps to fund. For the information of the Board, I have provided the latest Air Service Update from our RASC Committee meeting.

Item 4 – Upcoming Board Meeting Schedule

- April 28, 2021 (Quarterly GM Performance Review)
- May 26, 2021
