BENEFIT TO THE COMMUNITY-AT-LARGE

Specific 2021 Goals

(Not in Order of Priority)

- Focus on advancing flight procedure work to FAA design process. Have monthly progress updates and appropriate public outreach with the eventual goal to publish procedures diversifying arrival and departure options for Air Traffic Control and aircraft operators.
- Research and implement achievable greenhouse gas emissions reduction programs and projects including significant education and outreach to local pilots, passenger, and corporate operators. Continue to follow Carbon Reduction Strategies in District Green House Gas Reduction Plan.
- Enhance and improve Agency Partnership Program by implementing new program and outsource expertise in project vetting and review and implementation. Move to annual project application cycle.
- Reinvent, improve, and enhance the Districts community engagement process. Consider new and transformative options for the Airport Community Advisory Team (ACAT) to increase community participation, reach, and connectivity with activities and priorities of the Board of Directors.
- Continue supporting efforts to create more local affordable workforce housing. Assist the new Truckee Tahoe Workforce Housing JPA to successfully secure units for employee use.
