RE: Letter of Support for Measure T – Reducing the Risk of Wildfires in the Truckee and Donner Summit Areas

Dear Chief Seline,

Please accept this letter as an expression of support for Measure T from the Truckee Tahoe Airport District regarding the upcoming August 31, 2021 Special Election. TTAD supports efforts to reduce the risk of catastrophic wildfires and supports community solutions to forest fire fuels reduction, emergency preparedness, and improving regional forest fire resilience.

TTAD expends considerable resources each year to reduce forest fuels in an effort make TTAD properties more resistant to wildfires as well as provide fire breaks for communities that surround our properties. Measure T greatly compliments and enhances these efforts and affords our community additional resources necessary to assure long term community compatibility with the forest and natural environment we all know and love.

We would like to thank the Truckee Fire Protection District for your proactive efforts to address this critical issue and advance wildfire protection measures in our region. Again, please consider this letter as official TTAD support of Measure T. This letter was approved by the TTAD Board of Directors at their May 26, 2021 Board of Directors Meeting.

Thank You,

Kevin Smith, A.A.E.  
General Manager
