

**TRUCKEE TAHOE AIRPORT DISTRICT
BOARD OF DIRECTOR STAFF REPORT**

AGENDA TITLE: Operations and Maintenance Department - Management Team Report

MEETING DATE: 9/22/2021

PREPARED BY: Dave Hoffman – Director of Operations and Maintenance

Item 1– Caldor Fire Heli Base

The US Forest Service contacted me regarding ramp space availability to support firefighting ground crews and helicopter operations for the Caldor Fire. The original request was 7 helicopters with the chance for an additional 5 as conditions developed. The West and South ramps were closed to General Aviation traffic for the specific use of these firefighting assets, crews and support personal. The area was utilized from September 02 – September 13.

Item 2 – Non-Profit Storage Containers

We have received the final inspection from Nevada County for the 6 District purchased shipping containers to be used for Non-Profit storage. Jill McClendon is currently working filling the storage units with local non-profits. There is high demand for these units.

Item 3-FMP Expenditures

Three FMP project are currently in progress.

- Roof coatings for the Fuel Farm, Care Flight crew quarters, and the Terminal generator building.
- Replacement of 3 underground water valves near hangar row Foxtrot at time and materials.
- Painting all Fuel Farm tanks and piping.
