

DRAFT - Truckee Tahoe Airport District 2021 Goals

Stay focused on our Mission: *The Truckee Tahoe Airport is a community airport that provides high-quality aviation facilities and services to meet local needs. We strive for low impact on our neighbors while enhancing the benefit to the community—at-large.*

Specific Goals for 2021

(Not in Order of Priority)

- Advance flight procedure work with active and engaged public outreach process with the eventual goal of published and charted procedures diversifying arrival and departure options for Air Traffic Control and aircraft operators.
- Research and implement achievable greenhouse gas emissions reduction programs and projects including local and transient pilot, passenger, and operator education programs. Continue to follow Carbon Reduction Strategies in District Green House Gas Reduction Plan.
- Enhance and improve Agency Partnership Program by implementing new program and outsource expertise in project vetting and review and implementation. Move to annual project application cycle.
- Reinvent and improve the Airport Community Advisory Team (ACAT) to increase reach, connectivity with community, and connectively and integration with activities and priorities of the Board of Directors.
- Continue supporting efforts to create more local affordable workforce housing. Assist the new Truckee Tahoe Workforce Housing JPA to successfully secure units for employee use. Continue efforts with the Mountain Housing Council and local governments to solve local housing issues.

Other Goal Ideas could center on:

- Master Plan update/revision
- Enhance and Improve District Communication (telling our story)
- Community Surveys (Godbe)
- Fuels Reduction and Forest Management
- Other ideas from Board of Directors, Staff, and public

Note: It is important to highlight that each year we recognize our District Mission Statement as a goal which emphasizes high quality aviation services and facilities, low impact in neighbors, and benefit to community.
