OF THE TRUCKEE TAHOE AIRPORT DISTRICT

Vision:

We envision a vibrant, equitable District. A place where all residents thrive, visitors feel welcome, and we care for one another despite our differences. There is equal and fair access to resources, opportunities are abundant, and everyone does their part to embrace collective responsibility and take actions that uphold diversity and inclusion.

Mission:

We inspire and lead our cities, town, and county to take actions to promote equity in our communities and create an environment of shared prosperity, equal access to opportunity and inclusive engagement within the District.

We accomplish this by:

- Engaging with and listening to those most impacted by inequity
- Defining the critical issues
- Educating ourselves
- Creating public awareness
- Designing policies and programs to address these issues.
- Continuously evaluating our programs to ensure we are upholding these values and maintaining our pledge to ourselves and those in our community to address inequities.
- Encouraging conversations in the community around justice, equity, diversity, and inclusion and look for opportunities to collaborate with groups and organizations sharing our commitment to promote prosperity, innovation, and civic engagement.

Be it further resolved that the Truckee Tahoe Airport District shall promote the use and adherence of these principals in conducting the business of the District in order to foster and advance the goals of making the District just, equitable, diverse and inclusive community. With openness and humility, we will continue to learn from each other and maintain an open community dialogue around justice, equity, diversity, and inclusion.
