

**TRUCKEE TAHOE AIRPORT DISTRICT
BOARD OF DIRECTOR STAFF REPORT**

AGENDA TITLE: Truckee Bioenergy Scoping Study Update – Staff Report

MEETING DATE: June 22, 2022

PREPARED BY: Robb Etnyre – General Manager

PRESENTATION: W. David Featherman, PE, PMP, MPP, Principal | Wildephor Consulting Services, LLC

RECOMMENDED ACTION: To accept the Truckee Bioenergy Scoping Study and to authorize staff to continue to work with partners to explore the next phase of phase of potential Bioenergy opportunities that benefit the Truckee Tahoe Airport District and community.

DISCUSSION: Presentation by W. David Featherman.

WHAT'S NEXT: Study refinement effort to review identified opportunities; Option A: Biomass Power, and Option B: Combined Heat and Biochar.

FISCAL IMPACT: Funding of a refined study of presented options with additional funding partners is likely for review at the July 27, 2022, regular board meeting.

SAMPLE MOTION(S):

I Move to accept the Truckee Bioenergy Scoping Study and authorize staff to continue to work with partners to explore the next phase of potential Bioenergy opportunities that benefit the Truckee Tahoe Airport District and community.
