

**TRUCKEE TAHOE AIRPORT DISTRICT  
BOARD OF DIRECTORS STAFF REPORT**

**AGENDA TITLE:** Community Sponsorship Determinations March-April 2023  
**MEETING DATE:** Wednesday, April 26, 2023  
**PREPARED BY:** Marc R. Lamb, Aviation & Community Services Manager  
**PRESENTED BY:** Robb Etnyre, General Manager

---

**RECOMMENDED ACTION:** Staff is requesting Truckee Tahoe Airport District (TTAD) Board of Directors’ review and final determinations on 13 Community Sponsorship funding applications received in March and April 2023.

**DISCUSSION:** The TTAD Board approved an updated Policy Instruction (PI) 311 at their March 22, 2023 meeting. The updates included clarifying the use of the term “Public Purpose”, and listed examples of eligibility criteria as set forth in the California Airport District Act and other applicable California law.

It was also agreed that moving forward the Board would make final qualifying and funding determinations, and either approve, alter and/or decline funding requests of Community Sponsorship applications. To facilitate this new process, staff has suggested specific qualifying public purpose eligibility guidelines in the attached spreadsheet based on the updated PI 311.

Of the 13 applications received in March and April, staff is recommending the following:

- Approval of applications # 10 thru 12, and 14 thru 22 as requested
- Decline # 13 as it does not align with updated PI 311 eligibility guidelines

**WHAT’S NEXT:** Notifications of Board determinations will be emailed to applicants no later than 48 hours after the board meeting. Checks will be generated and mailed to all Board approved Community Sponsorship funding recipients within two weeks.

**FISCAL IMPACT:** The Board has approved a 2023 budget of \$120,000 for Community Sponsorships. This amount includes \$20,000 for an Aviation/STEM scholarship program. A total of \$9,000 in Community Sponsorships has already been distributed to qualified organizations and non-profit applicants year-to-date.

If the Board adopts by consent, the staff recommended funding determinations of 12 eligible applicants for the March-April 2023 Community Sponsorship application cycle, a total of \$33,300 will be awarded. With these latest Community Sponsorship funding awards, a total of \$42,300 will have been distributed from the 2023 Community Sponsorship budget from January 1 through end of April 2023.

**PROPOSED MOTION:** I move to (approve, continue, deny) the 12 PI 311 eligible Community Sponsorship applications received by the Truckee Tahoe Airport District in March through April of 2023, in the amount of \$33,300, as presented in this staff report.

**SUBJECT: COMMUNITY SPONSORSHIPS AND AGENCY PARTNERSHIPS**

**PURPOSE:**

To provide guidelines for the prudent and transparent management and administration of community sponsorships and public agency partnerships to ensure the best value of TTAD's investment and overall community benefit aligned with TTAD's public purpose. The Policy will assure a fair and open process is used in the allocation of community sponsorship and public agency partnership funds.

The Truckee Tahoe Airport aims to provide safe, high-quality services and facilities, reduce impact on airport neighbors and the environment, and invest in opportunities that increase community safety and provide sustained benefit to the entire Truckee Tahoe region.

**LEGAL REQUIREMENTS:**

Consistent with applicable California law, all expenditures of TTAD funds under this Policy must serve a public purpose of the District, referred to as "public purpose" throughout this policy. Expenditures may be evaluated on a case-by-case basis to ensure compliance but below are examples of permissible TTAD public purposes as set forth in the California Airport District Act or other applicable law:

- Aviation or other services provided by TTAD
- Transportation related to use of TTAD property
- Aviation-related noise mitigation and avoidance

This also includes individuals, groups, and not-for-profit agencies and for-profit entities located outside the District's political boundaries, but within its sphere of influence as long as the proposed program(s) benefit members of the District as outlined here.

### **SECTION I - POLICY OVERVIEW**

The Truckee Tahoe Airport District ("District") is furthering its mission, which is to provide a high level of benefit and value to all Airport District constituents, in keeping with its public purpose. Based on available funds, the District may provide 1) Sponsorships for community programs, outreach, and events and 2) Partnerships with local public agencies. The following categories are established:

- 1) Community Sponsorship - up to \$5,000 (See Section II of Policy)
- 2) Agency Partnership - over \$5,000 (See Section III of Policy)

The following definitions apply to all sponsorship and agency partnership categories. Each category of the policy has funding limits, processes, and eligibility criteria. The District funds specific programs, events or projects as opposed to providing general operating support. Each year, funding focus areas will be identified by the Board of Directors during the District budget process. Therefore, requests for funding must be for programs, projects, or events of an organization or public agency. The intent is that the public will receive cultural, educational, entertainment, environmental, recreational, or safety enhancements or value from the program, project, or event as related to the District's public purpose.

### **COMMON DEFINITIONS:**

Definitions in this section apply to all sponsorship/partnership categories and must be aligned with the District's public purpose:

- a. District: For the purposes of this policy, "District" shall refer to the Truckee Tahoe Airport District (TTAD).
- b. Community Sponsorship: A sponsorship in cash to the organization or public agency which may be used to offset the costs of specific programs, outreach, and events in return for

benefit to District constituents and recognition of the District and its mission. Community Sponsorships are primarily for nonprofit entities in good standing with the IRS and state(s) of incorporation.

- c. Community Sponsorship Funds: Funds set aside by the District each year to provide sponsorship and support for community programs, outreach, and events.
- d. Agency Partnership: A joint agreement between the District and another public agency, taxing agency, town, county, or local government to assist larger projects that mutually benefit constituents district-wide. When appropriate, such mutual support may be in shared assistance to a nonprofit leading the efforts for such projects.
- e. Agency Partnerships Funds: Funds set aside to partner with another public agency and or taxing agency, town, county, or local government where a specific defined airport public purpose to mutual District/agency constituents, direct airport benefits, improvement of District property, shared equipment, and/or enhanced safety is realized.
- f. In-Kind Sponsorship: Any services requiring use of District property, equipment, or resources of any means other than cash. This includes, but is not limited to staffing for events, equipment, or events and projects that require multiple days/weeks/months to complete. Donation/trade of available hangar space for storage for non-profit or other public agencies is included.
- g. Partnerships with Non-profits: Common service that has District and public benefit which may involve education, recreation, youth development, arts, culture and civic benefit, health, and human services, and/or environment or other services that can potentially offset District cost; may be used to offset the costs of specific programs, outreach, and events as part of an Agency Partnership application.
- h. Organization: Includes educational institutions, public agencies, service clubs or groups, for-profit entities, and not-for-profit agencies and corporations registered to do business in the State of California or Nevada. Any such organizations must be in good standing with the IRS and state(s) of incorporation.
- i. Community Sponsorship Programs: A community program, celebration, event, fundraiser, athletic, cultural, or educational activity that demonstrates a public benefit or for which other intrinsic cultural, athletic, entertainment, or educational value is provided.
- j. Constituent: A constituent of the District is defined as residents, property owners, community members, and voters within the District's political boundaries. Constituents may also include individuals and groups outside the District's political boundaries, but within its sphere of influence.

**IMPROVEMENTS TO DISTRICT ASSETS OR PROPERTY:**

The Board of Directors, in partnership with other public agencies, may choose to fund improvements or enhancements to District assets, which is any interest in real property, or equipment that the District owns in full or in partnership through written agreements with other public agencies. The District reserves the right to fund improvements or enhancements to these District assets or interests to assure the continued viability, upkeep, and/or public benefit of those District assets and interests.

**SCIENCE TECHNOLOGY ENGINEERING ARTS AND MATH (STEAM) PROGRAMS AND EDUCATION:**

The District will consider Community Sponsorships and Agency Partnerships, which advance STEAM themed education programs and endeavors, particularly those that advocate for professions necessary to sustain operation of the Truckee Tahoe Airport.

**SECTION II – COMMUNITY SPONSORSHIP (up to \$5,000)**

The District recognizes the importance of providing support for community events and programs that are held for the general benefit of the community aligned with the District’s public purpose. may require a significant financial commitment (over \$5,000) on behalf of the District. The Agency Partnership program is aimed at:

- 1) Forming active and mutually beneficial relationships with organizations and/or public agencies
  - 2) Providing benefit and value to the common constituents of both the District and the partnering agency
- In addition, Agency Partnerships will:
- 3) Be responsive to community needs
  - 4) Build value for the Airport District
  - 5) Reflect the Truckee Tahoe Airport District's Mission, Goals, public purpose; and
  - 6) Have broad and meaningful reach and impact into community.

Funding for Agency Partnerships shall be established by the Board of Directors each year during the annual budget process. Subject to board approval, the board can award increased funding at their discretion. The District's fiscal year begins January 1st of each year and ends on December 31st of the year.

**PROCESS:**

As of July 1, 2021, the District has entered into a Professional Services Agreement with Tahoe Truckee Community Foundation (TTCF) to manage the District's Agency Partnership Program (AP Program). The AP Program will be administered as an annual competitive cycle with a publicized Board-approved timeline and budgeted funding amount which may be modified annual by the Board of Directors. The Board will establish a Budget for this program annually, however the Board reserves the right to determine the final amount of funding assigned to Partnerships each funding cycle. Agency Partnerships with the District will only be considered when endorsed through a formal motion or resolution with findings approved by the governing board of another local public agency with an elected or appointed board.

Applications and supporting materials must be submitted through an online portal maintained by TTCF. TTCF will undertake necessary due diligence to ensure that only complete applications meeting all terms and requirements of this policy are accepted for further consideration. TTCF will convene a review committee composed of TTCF staff, community volunteers, and TTAD board and/or staff representatives. Committee members will independently complete application evaluations following a prescribed scoring rubric. TTCF staff will compile the results into a Summary of Rankings and Ratings. The full committee will then meet to review the results to ensure they reflect the intent of the committee. TTCF will present the review committee's Summary of Rankings and Ratings of all eligible applications at a regularly scheduled board meeting.

Lobbying or attempting to influence individual members of the Review Committee or District Board of Directors regarding a specific application once the application window has opened through final Board of Director action is not permitted and might result in disqualification of the application. Public presentations before the District Board are not part of the application review and decision process, however public comment as part of a regular agenda item is permitted. In the event an applicant wishes to give public comment to the Board, TTAD recommends the organization appoint or designate a single spokesperson to represent the interests of the program or project under consideration.

**BOARD APPLICATION REVIEW PROCESS:**

Utilizing the results of the TTCF Summary of Rankings and Ratings, the District Board of Directors will then, at a Regularly Scheduled or Special Board meeting, carefully consider Agency Partnership applications that align with its mission statement, goals, and public purpose of an airport as outlined in this policy and annual budget process. Agency Partnership Applications will use the following agenda item review process:

- 1) Agenda Item Introduction by Staff
- 2) Presentation by TTCF Program Manager
- 3) Clarifying Questions by Board of Directors
- 4) Public Comment – 3 minute maximum unless another limit is established by Board
- 5) Board Discussion
- 6) Directors will make a motion on applications in order of the TTCF Summary of Rankings and Ratings along with findings for how the applications meet funding criteria. Applications which fail to receive a motion will not receive funding.
