Vicky Benzing

P-51 Mustang

Vicky was born and raised in California with an earned PhD in Chemistry from UC Berkeley. Vicky is an accomplished pilot, skydiver, aerobatic performer, and air racer. In fact, in 2015 she became the “Fastest Woman Racer” ever in the history of the Reno Air Races when she qualified an Aero Vodochody jet on the racecourse at 469.831 mph.

BOB FREEMAN – 30+ Year Air Race Competitor!

Bob will take to the air in his Extra 330LX, N808YF. This is a high performance, certified aerobatic performer made in Germany with capabilities of +/- 10Gs used to execute wild gyroscopic maneuvers.

Bob started flying in 1972 while a junior in high school and has been flying aerobatics since 1981. Achieving a life-long goal in 2017, he flew for the US at the World Championships in Unlimited in South Africa. He's been on three U.S. Aerobatic teams through the years, serving as team Captain and finishing 4th in the world in 2002 at the world championships held in Slovenia.
