Truckee Tahoe Airport
c/o Dana Crary, TTCF Community Impact
10356 Truckee Airport Road
Truckee, California 96161

Dear Dana,

On behalf of Aim High, thank you for your donation of \$25,000 received on 11/27/2023 from the Truckee Tahoe Airport. We're deeply grateful for your continued support of Aim High in Tahoe/Truckee last year.

Last year your generosity helped to provide an impactful summer learning opportunity to over 2,000 students at 18 campuses across the Bay Area from San Jose to Tahoe. Your support ensures that middle school students have access to Aim High's interdisciplinary, culturally relevant curriculum that fosters creative problem-solving, collaboration, and skill-building during these critical years of adolescence.

Guided by skilled and diverse educators, Aim High students apply what they learn to solve real-world problems and build confidence in classrooms where they are safe, seen, and supported. Aim High makes learning fun, while encouraging students to form lasting friendships and preparing them to excel in the next academic year and beyond. We could not provide this transformational summer experience, at no cost to Aim High students and families, without your dedication and support.

Dana, Truckee Tahoe Airport's commitment to Aim High is helping us address the profound educational inequities in our community. We look forward to keeping you updated on our progress throughout the coming year as we gear up for another impactful summer. I hope you'll visit an Aim High campus near you where you can meet our talented students and educators, and see our thriving community in action.

Thank you for being an important part of our Aim High community. Your support continues to make a difference.

With gratitude,

A handwritten signature in black ink, appearing to read "David Gallagher".

David Gallagher
Interim Chief Executive Officer

Placer County Law Enforcement Chaplaincy, Inc.
"On a Mission of Compassion"

December 27, 2023

Dear Truckee Tahoe Airport District,

"Where did it go?" Isn't that the question we are all asking when we reflect back on the 12 months of 2023? We are told that the older we get, the faster the year(s) go by. If that is true, then I am old beyond my years because this year was gone in a flash. I expect some of you feel the same way.

This year for the chaplaincy has been an eventful and monumental year. For the first time in my awareness we surpassed 300 calls for service. Placer County has grown, and so has the likelihood of ingesting fentanyl and other more powerful poisons in illicit drugs. It has been a particularly hard year for families experiencing the death of teens and children. I can only speculate about causes, they are multi-faceted.

In addition to the emergency call outs (ECOs) we were at schools for drug and alcohol awareness education, DUI checkpoints, community events alongside and encouraging law enforcement personnel, community memorial events, as well as at schools grieving the loss of a student.

Given what we do, it would be easy to focus on the tragedy of the year. But through this year we had over 300 opportunities for my intrepid volunteers to bring calm amidst chaos, peace within turmoil, and comfort when there was tremendous loss. Although it is sometimes said, "we do death", we deal with the living, not the dead. It is those who remain to grieve, mourn, and survive who are the ones to benefit from our assistance. Although we cannot fix anything, we are often able to change the trajectory of the grieving process just a small bit.

Those 300+ opportunities are why we do what we do. And we are ever mindful that we cannot do what we do without your generous, loving support. Your gifts convey the value you place on what we do. I hope that occasionally my words can also impart a vision of the magnitude of that value and the role you play in your support. Thank you, you are highly valued.

Appreciatively;

Mike Boon
Senior Chaplain/Executive Director
PCLEC

EIN#: 680109125

TTAD folks, its an honor to partner with you again in service to the Tahoe Basin community. I know the nature of what we do, I hope our services are needed sparingly. But we will be there as needed regardless of frequency.
- Mike

Placer County Law Enforcement Chaplaincy, Inc.
"On a Mission of Compassion"

January 23, 2024

Dear Truckee Tahoe Airport District,

As I sat down to write this letter as the annual summary for 2023 donors, I settled in with too many pieces of Sees Candy and reviewed several of my 2023 missives. I looked at the pathos and the humor, what chaplains do and some of our clients responses. But always, I reflected on my appreciation of your generosity and care for your Placer Community. When I got to the letter I wrote to December donors it stated exactly what I wanted to say to you in this summary. So, my apologies to you who received this in December, I hope it can be an encouragement and fresh expression of my appreciation in this annual summary. ~m

"Where did it go?" Isn't that the question we are all asking when we reflect back on the 12 months of 2023? We are told that the older we get, the faster the year(s) go by. If that is true, then I am old beyond my years because this year was gone in a flash. I expect some of you feel the same way.

This year for the chaplaincy has been an eventful and monumental year. For the first time in my awareness we surpassed 300 calls for service. Placer County has grown, and so has the likelihood of ingesting fentanyl and other more powerful poisons in illicit drugs. It has been a particularly hard year for families experiencing the death of teens and children. I can only speculate about causes, they are multi-faceted.

Truckee Tahoe Airport Community Partners -

I wanted to write to thank you for your continued support of SWEP. Your support helps us connect students to measurable differences they and their schools can make in reducing carbon emissions in their community and this beautiful region.

Thank you for helping us empower future stewards.

In Gratitude, Missy ^{and} SWEP Staff

Tahoe Truckee Composite Squadron, Civil Air Patrol
10356 Truckee Airport Road #7
Truckee, CA 96161

February 1, 2024

Dear Rick Stephens, president of the TTAD board of directors,

On behalf of the Tahoe Truckee Composite Squadron Civil Air Patrol I would like to thank you, other members of the airport board (Mary Hetherington, David Diamond, Kathryn Rohlf, Teresa O'Dette) and your airport staff for your generous donation/sponsorship to our squadron to purchase classroom materials for our spring/summer/fall space camps on Aviation and Aerospace. Our members and cadets really appreciate this support as we continue to work with our airport district community promoting STEM/STEAM youth activities.

This donation will allow us to provide the following materials:

1. Green hat with Mission to Mars logo ("Truckee Tahoe Airport" is acknowledged in our logo)
2. White t-shirt with Mission to Mars logo and "Blast off to Fun" Slogan on front
3. Classroom binder/workbook with all daily lessons
4. Parts to make Styrofoam sailboats to learn about airfoils (wing)
5. Parts to make cardboard Space Shuttle model
6. Estes model rocket and engines
7. Parts to make "raw egg landing craft" experiment
8. Parts to make "Flying Saucer" hovercraft
9. Astronaut "Ice Cream"

Because of this donation more children will have the opportunity to afford our upcoming camps and we look forward to having a full class load of 60 participants (five camps of 12). I will keep you updated on our program as the date for the camps gets closer.

Again thank you so very much.

GLENSHIRE ELEMENTARY

PTO

Dear Truckee Tahoe Airport,

On behalf of Glenshire Elementary School's (GES) PTO, we would like to thank you for your generous donation to the Holiday Breakfast this year. The fundraiser on December 2nd was a huge success! Money raised at the event will contribute to our ongoing efforts to bring a variety of enrichment programs to the children of GES, the costs of which are not covered through the school district's budget. These programs include accompanists for all performances, the 5th grade overnight fieldtrip to the State Capitol and Sacramento Zoo, IXL math program, new teacher supplies/set up, family reading night, prizes for schoolwide reading challenges, Teacher Appreciation Week, and many other valuable offerings that help round out the school's core curriculum and make this a truly special school.

Your generous contribution helped us to increase our net profits and enable us to say "Yes!" to even more ways to support and enrich the GES community. We are thrilled that this year we served over 590 people and raised a significantly impactful amount of money, a record-breaking fundraising year! More importantly, everyone had a great time!

Thank you for your ongoing support of our organization, the school, and the children that will benefit from your community outreach.

Sincerely,

Anna Yarbrough, PTO President
