

**Judy Friedman**  
**Director, Tahoe City Public Utility District**  
**Candidate for Placer County LAFCO Special District Seat**

I am running for the voting member seat representing Special Districts on LAFCO. I have been serving in the Special District Alternate position for one year, but with the resignation of Rick Stephens, have been a voting member.

I have been a full-time resident of Tahoe City, located in the unincorporated area of Placer County, for over 50 years. I approach this position the unique perspective of being an elected member and President of the of the Tahoe City Public Utility District Board of Directors, Clerk of the Board for the Tahoe City Cemetery District, and volunteer on the North Lake Tahoe Fire Protection District C.E.R.T. team.

There has been tremendous growth in Placer County. LAFCO is charged with identifying ways to organize, simplify, and streamline government and make sure that services are provided efficiently and economically. That requires thoughtful and creative solutions and well-informed decision makers. We need to work hard to balance quality of life while meeting growing service challenges.

I am committed to representing the Special District's interests on the LAFCO Board, especially where they may differ from the county and city issues. Many of the communities throughout Placer County rely on special districts to serve our unique needs. It is essential that our concerns and interests be heard and addressed as LAFCO becomes more active in our County.

I ask for your vote to serve as Special District Commissioner and appreciate the trust that comes with your support.

## **Statement of Qualification for LAFCO Nomination**

### **Pete Gallegos Board of Director for South Placer Fire District**

To Whom it may concern.

I am interested in the position on the LAFCO Board and feel that I am qualified for the position because of my vast experience in the fire service and being a lifelong resident of Placer County. I started my fire service career as a seasonal firefighter in 1987 for CAL FIRE. I rose through the ranks and retired as the Staff Chief/Administrator of the Command-and-Control Program statewide. I lead the planning, organization, direction, and control of CAL FIRE's statewide Command and Control programs. These programs encompass Command and Control, Operations Support (OAS), and Hired Equipment (HE). In this capacity, I was entrusted with CAL Fire policy development, budgeting, and serving as a subject matter expert for internal and external issues pertaining to these programs. I was responsible for the 23.5-million-dollar budget.

I was the Agency Administrator in the State Operations Center (SOC) during emergencies and natural disasters. This included wildland fires, mud slides, earthquakes, floods and other emergencies.

Yet another example includes my tenure as Battalion Chief (BC) overseeing two local government Schedule A Contracts, (City of Morgan Hill Fire Department and the South Santa Clara Fire Protection District), I held significant operational responsibility and managing budget administration totaling over \$10 million. Notably, I spearheaded and provided fiscal oversight for the creation of the first two-year budget for the City of Morgan Hill, demonstrating my proficiency in strategic financial planning. Furthermore, I provided clear and concise budget reports to both the fire district board and the city council, utilizing various statistical data for the annual financial report adopted by the city, fire district, and County of Santa Clara. Additionally, I played a pivotal role in designing and purchasing multiple apparatus for the city, ensuring alignment with operational needs and financial constraints. My responsibilities also extended to crafting staff reports that analyzed financial situations accurately and recommended effective courses of action. Through these efforts, I upheld fiscal responsibility while facilitating the efficient utilization of resources to support the operational objectives of both contracts. I was responsible for the staffing levels to meet operational needs.

I was raised and currently live in Granite Bay with my wife where we raised our three children. My wife and I have always been actively engaged in the community volunteering as board members in youth sports as well as coaching youth sports. We volunteer at church in the annual Christmas program feeding the hungry and I am currently on the Board of Directors for the South Placer Fire District.

Thank you for your time,

Pete Gallegos

### Statement of Qualifications: Placer LAFCO

With extensive experience as a former City Mayor and Councilmember for both the City of Lincoln and Foster City, I have had the privilege of serving on various commissions, boards, and committees over the years, contributing to the growth and development of our communities. Currently, I hold key leadership roles as a Trustee for the Placer Mosquito and Vector Control District, Chair of the Lincoln Planning Commission, and member of both the Sierra College Citizens Oversight Committee and the Lincoln Hills Foundation Board of Directors. In these positions, I provide strategic guidance, expert insights, and thoughtful direction to help shape the future of our local community and region.

I am passionate about representing special districts on the Placer LAFCO Board to ensure that these districts have a strong, unified voice in critical discussions shaping the future of our cities and special districts. Notably, there has never been representation from a mosquito control district on the Placer LAFCO Board, despite the vital role they play in safeguarding public health within our county.

With a wealth of executive management experience, I am confident in my ability to contribute meaningfully to the Placer LAFCO Board. I am a proud graduate of San Francisco State University and honorably served in the U.S. Army Intelligence Corps, attaining the rank of Sergeant. My leadership background also includes serving as the Former President and Treasurer of the Lincoln Hills Community Association, Former President of the League of California Cities Peninsula Division—representing 33 cities across San Francisco, San Mateo, and Santa Clara Counties—and Chair of the San Mateo County Criminal Justice Council.

**Richard Hercules, President, Foresthill Fire Protection District**

### **The Opportunity for Placer County**

It is certain that the special districts within Placer County will have new challenges in their opportunities and manner in which they provide unique services to the public. These serviced communities need to be bound together to develop organizational solutions for the County. These may be that is different than what exists, but again, to the benefit of the public. New state laws will also affect those districts, governments, and their purposes.

Placer County has been affected by the increased rate of development in most all areas. Special districts will be affected, but are largely managed by elected volunteers and staff that focus on the operations of that district. It is apparent that there are separations between the larger urban districts and the more remote districts, but some effort is expected to better align these groups for the issues of the County. LAFCO, with staff and support from Placer County officials, the special district volunteers and local city officials, can evaluate impacts of growth and development on these districts and urban communities and effect change. Appropriately, citizens of Placer County have expectations of services at many levels, particularly those funded by property taxes and assessment measures.

### **My Background**

Much of my career in private industry was the development, operation of new businesses and organizations to deliver a service or product to a wide range of users. In almost all cases, my skills in these efforts required knowledge in long term planning, policy development, defined organizational structure, and legislative and financial management. Accordingly, conflict resolution and the need to manage negotiations for those opportunities is part of that environment. Further, my experience in mergers and acquisitions has broadened my perspectives in finding solutions beneficial to those parties involved, however disparate.

I have many strengths to work and balance improvements of these services through separation, consolidations or restructuring. While these activities are within the purview of LAFCO, I would apply the reality of the needs of the County and its citizens. In the last 5 years of my work with the Foresthill Fire Protection District board, I can offer that the district is better managed in this period than some of its previous history, and with better engagement and appreciation by the community it serves. This is the type of energy and commitment I would apply to this appointment. I look forward to discuss and understand the particular issues your district is experiencing. I can be reached through the Fire District web site or by telephone.

I thank all for their consideration and hopeful vote for my candidacy for Placer LAFCO. I bring a long history of getting things done. My leadership has led to many great collaborations with other City, County, State & Federal agency creating win wins that may not otherwise have happened. The policies I have been the lead on have worked to create order, consistency and especially long-term fiscal viability.

I think out of the box, keep an open mind, and open ears to develop consensus and solutions that benefit the community and the district. I am not a rubber stamper, and feel I would be a great addition to the Board and would help represent special districts as we move forward in an ever-changing political, environmental and fiscal world.

You got nothing to lose, and a good chance you will gain by putting a checkmark next to my name, you won't regret it!

Again Thanks & as Always .... Keep Smilin'

Scott Holbrook

Statement of Qualifications  
for Earl Wilson  
Special District Representative to LAFCO Nominee

I am Earl Wilson, a member of the Auburn Public Cemetery District Board of Trustees, seeking your vote as the Special District Representative to the Placer County Local Agency Formation Commission. I am a retired city manager. During my 40 plus years in this capacity I served in four California cities in four counties - San Joaquin, Merced, Humboldt and Siskiyou. Prior to my becoming a city manager I was employed by the City of Auburn. During that period with Auburn my duties as an administrative assistant included preparing and processing annexations for the City involving non-contiguous (airport and sewer plant), unhabitated and inhabited annexations which required the Placer County LAFCO applications and hearings. My years as a city manager brought me in contact with the various county LAFCOs for such items as annexations and spheres of influence development and update. My education background includes graduating from EV Cain and Placer High, BA from Sacramento State and MPA from CSU Stanislaus. I strongly believe in local government as each jurisdiction has its own personality and LAFCO has a positive role to provide that continuity during these periods of growth. The voice of the special districts on LAFCO provides another local government input to arrive at decisions that best serves all the citizens in Placer County. I have been a part of Placer County over the years having grown up here, my parents remained here until they passed away, and I returned here after retiring. I hope you consider my qualifications when casting a vote for the LAFCO Special District Alternate member. Thank you.
