TRUCKEE TAHOE AIRPORT DISTRICT
RECONSTRUCT APRON A2
AIP NO. 3-06-0262-0__-2025

Pre-Bid Meeting Date: Thursday, March 27, 2025 at 10:00 a.m.

Place of Pre-Bid Meeting: Truckee Tahoe Airport, Downstairs Board Conference Room

Bid Opening Date: Thursday, April 16, 2025 at 1:00 p.m.

Place of Bid Opening:
Truckee Tahoe Airport District, 10356 Truckee Airport Road, Truckee, California 96161

FROM:

NAME OF BIDDER: McGuire and Hester

BUSINESS 1016 North Market Blvd.

ADDRESS Suite 20

CITY, STATE, ZIP CODE: Sacramento, CA 95834

PHONE: 916 372-8910

TO: Truckee Tahoe Airport District
10356 Truckee Airport Road
Truckee, California 96161

The undersigned bidder declares that he/she has carefully examined the location of the proposed work; that he/she has examined the all Contract Documents, including, without limitation, the Plans and Specifications, and read the accompanying instructions to bidders; and hereby proposes to furnish all materials, machinery, tools, labor, and services and do all work necessary to complete the project in accordance with said Contract Documents, for the unit and lump sum prices stated herein.

The undersigned agrees that he/she will order all materials and equipment under this contract and will commence work within ten (10) days after receiving written notice to proceed and that he/she will complete the work of the various phases of construction as follows:

There are sixty (60) working days allowed for completion of the total project if Schedule A is accepted. There are forty-five (45) working days allowed for completion of the total project if Schedule B is accepted.

SUBMIT THIS SHEET AS PART OF YOUR BID

Bidder further agrees that should he/she fail to complete any segment of work in the time specified, he/she will pay liquidated damages in the amount of \$5,000 to the District for each consecutive calendar day thereafter as prescribed in these specifications.

Bidder further agrees that it has specifically reviewed the contractual provisions in the Contract Documents concerning insurance, indemnity, and claims resolution and agrees to be bound thereto.

The proposed work includes the following:

- Reconstruction of Apron A2 (26,500 sq. yd.), including grading, drainage, paving, and airfield marking.
- Construction of Snow Melt Apron (75' x 60')

Bidder agrees that the District reserves the right to reject this bid and that the bid shall remain open to acceptance and is irrevocable for a period of ninety (90) calendar days. It is further understood that the District anticipates award of the contract after the April 23, 2025, Board meeting and is targeting a mid-May construction start, weather permitting.

Bidder has attached to this Bid Form the completed certifications and bid bond. The bid bond is an amount not less than ten percent (10%) of the highest bid for either Schedule A or Schedule B

Bidder expressly acknowledges that it is aware that if a false claim is knowingly submitted (as the terms "claim" and "knowingly" are defined in the California False Claims Act, Cal. Gov. Code, §12650 et seq.), the District will be entitled to civil remedies set forth in the California False Claim Act. It may also be considered fraud, and the Contractor may be subject to criminal prosecution.

NOTES

1. In the event the product of a unit price and an estimated quantity do not equal the extended amount stated, the unit price will govern, and the correct product of the unit price and the estimated quantity shall be deemed to be the amount bid. In case of conflict between words and numerals, the words, unless obviously incorrect, shall govern.
2. Contractor may submit bids for Schedule A only, Schedule B only, or both Schedules A and B.
3. The Owner reserves the right to award the contract for Schedule A or for Schedule B, as follows:
 - a. If the lowest total bid for Schedule B is a minimum of 5% less than the lowest total bid for Schedule A, the low bidder will be based on Schedule B.
 - b. Otherwise, the low bidder will be based on Schedule A.

SUMMARY

Kyle worked every summer in his grandfather's construction company, advancing from the shop to being a parts runner to laborer and operator. He learned how to handle dispatching and then promoted to doing take-off and estimating. Kyle became a member of the Laborers Union Local 304 with the vision of working through the ranks to become a foreman. When Kyle's brother got accepted into the Chico State Construction Management program, he chose to apply as well. After being accepted into the program, it was not long before Kyle began to excel at construction management.

In 2003, he was offered an internship at McGuire and Hester followed by a job offer as a Project Engineer. Kyle's initial vision of moving through the ranks of the industry came to fruition as he advanced to Project Manager, Senior Project Manager, and in 2018 he was asked to lead and oversee the grading and paving operations for the Company.

PROHIBITION OF SEGREGATED FACILITIES

(a) The Contractor agrees that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this clause is a violation of the Equal Employment Opportunity clause in this contract.

(b) "Segregated facilities," as used in this clause, means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin because of written or oral policies or employee custom. The term does not include separate or single-user rest rooms or necessary dressing or sleeping areas provided to assure privacy between the sexes.

(c) The Contractor shall include this clause in every subcontract and purchase order that is subject to the Equal Employment Opportunity clause of this contract.

I certify that I am duly authorized to legally bind the bidder to this certification, that the contents of this certification are true, and that this certification is made under the laws of the State of California.

CERTIFICATES REGARDING DEBARMENT

CERTIFICATION OF OFFEROR/BIDDER REGARDING DEBARMENT

By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

CERTIFICATION OF LOWER TIER CONTRACTORS REGARDING DEBARMENT

The successful bidder, by administering each lower tier subcontract that exceeds \$25,000 as a "covered transaction", must confirm each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally-assisted project. The successful bidder will accomplish this by:

1. Checking the System for Award Management at website: <http://www.sam.gov>.
2. Collecting a certification statement similar to the Certification of Offeror /Bidder Regarding Debarment, above.
3. Inserting a clause or condition in the covered transaction with the lower tier contract.

If the Federal Aviation Administration later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

I certify that I am duly authorized to legally bind the bidder to this certification, that the contents of this certification are true, and that this certification is made under the laws of the State of California.

TRADE RESTRICTION CERTIFICATION

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror –

- 1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);
- 2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and
- 3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC § 1001.

The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR § 30.17, no contract shall be awarded to an Offeror or subcontractor:

- 1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or
- 2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or
- 3) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign

country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

CERTIFICATION OF COMPLIANCE WITH FAA BUY AMERICAN PREFERENCE

The Contractor certifies that its bid/offer is in compliance with 49 USC § 50101, BABA and other related Made in America Laws,¹ U.S. statutes, guidance, and FAA policies, which provide that Federal funds may not be obligated unless all iron, steel and manufactured goods used in AIP funded projects are produced in the United States, unless the Federal Aviation Administration has issued a waiver for the product; the product is listed as an Excepted Article, Material Or Supply in Federal Acquisition Regulation subpart 25.108; or is included in the FAA Nationwide Buy American Waivers Issued list.

The bidder or offeror must complete and submit the certification of compliance with FAA's Buy American Preference, BABA and Made in America laws included herein with their bid or offer. The Airport Sponsor/Owner will reject as nonresponsive any bid or offer that does not include a completed certification of compliance with FAA's Buy American Preference and BABA.

The bidder or offeror certifies that all constructions materials, defined to mean an article, material, or supply other than an item of primarily iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives that are or consist primarily of: non-ferrous metals; plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables); glass (including optic glass); lumber; or drywall used in the project are manufactured in the U.S.

As a matter of bid responsiveness, the bidder or offeror must complete, sign, date, and submit this certification statement with their proposal. The bidder or offeror must indicate how they intend to comply with 49 USC § 50101, and other Made in America Laws, U.S. statutes, guidance, and FAA policies by selecting one on the following certification statements. These statements are mutually exclusive. Bidder must select one or the other (not both) by inserting a checkmark (✓) or the letter "X".

- ☒ Bidder or offeror hereby certifies that it will comply with 49 USC § 50101, BABA and other related U.S. statutes, guidance, and policies of the FAA by:
- a) Only installing steel and manufactured products produced in the United States;
 - b) Only installing construction materials defined as: an article, material, or supply – other than an item of primarily iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives that are or consist primarily of non-ferrous metals; plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables); glass (including optic glass); lumber or drywall that have been manufactured in the United States.
 - c) Installing manufactured products for which the Federal Aviation Administration (FAA) has issued a waiver as indicated by inclusion on the current FAA Nationwide Buy American Waivers Issued listing; or

¹ Per Executive Order 14005 "Made in America Laws" means all statutes, regulations, rules, and Executive Orders relating to federal financial assistance awards or federal procurement, including those that refer to "Buy America" or "Buy American," that require, or provide a preference for, the purchase or acquisition of goods, products, or materials produced in the United States, including iron, steel, and manufactured products offered in the United States.

- d) Installing products listed as an Excepted Article, Material or Supply in Federal Acquisition Regulation Subpart 25.108.

By selecting this certification statement, the bidder or offeror agrees:

- a) To provide to the Airport Sponsor or FAA evidence that documents the source and origin of the steel and manufactured product.
- b) To faithfully comply with providing U.S. domestic product.
- c) To furnish U.S. domestic product for any waiver request that the FAA rejects.
- d) To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.

☐ The bidder or offeror hereby certifies it cannot comply with the 100 percent Buy American Preferences of 49 USC § 50101(a) but may qualify for a Type 3 waiver under 49 USC § 50101(b). By selecting this certification statement, the apparent bidder or offeror with the apparent low bid agrees:

- a) To submit to the Airport Sponsor or FAA within 15 calendar days of being selected as the responsive bidder, a formal waiver request and required documentation that supports the type of waiver being requested.
- b) That failure to submit the required documentation within the specified timeframe is cause for a non-responsive determination that may result in rejection of the proposal.
- c) To faithfully comply with providing U.S. domestic products at or above the approved U.S. domestic content percentage as approved by the FAA.
- d) To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.

Required Documentation

Type 2 Waiver (Nonavailability) - The iron, steel, manufactured goods or construction materials are not available in sufficient quantity or quality in the United States. The required documentation for the Nonavailability waiver is:

- a) Completed Content Percentage Worksheet and Final Assembly Questionnaire
- b) Record of thorough market research, consideration where appropriate of qualifying alternate items, products, or materials including;
- c) A description of the market research activities and methods used to identify domestically manufactured items capable of satisfying the requirement, including the timing of the research and conclusions reached on the availability of sources.

Type 3 Waiver - The cost of the item components and subcomponents produced in the United States is more than 60 percent of the cost of all components and subcomponents of the "item". The required documentation for a Type 3 waiver is:

- a) Completed Content Percentage Worksheet and Final Assembly Questionnaire including;
- b) Listing of all product components and subcomponents that are not comprised of 100 percent U.S. domestic content (Excludes products listed on the FAA Nationwide Buy American Waivers Issued listing and products excluded by Federal Acquisition Regulation Subpart 25.108 (products of unknown origin must be considered as non-domestic products in their entirety).

SUBMIT THIS SHEET AS PART OF YOUR BID

- c) Cost of non-domestic components and subcomponents, excluding labor costs associated with final assembly at place of manufacture.
- d) Percentage of non-domestic component and subcomponent cost as compared to total "item" component and subcomponent costs, excluding labor costs associated with final assembly at place of manufacture.

Type 4 Waiver (Unreasonable Costs) - Applying this provision for iron, steel, manufactured goods or construction materials, would increase the cost of the overall project by more than 25 percent. The required documentation for this waiver is:

- a) Completed Content Percentage Worksheet and Final Assembly Questionnaire from
- b) At minimum two comparable equal bidders and/or offerors;
- c) Receipt or record that demonstrates that supplier scouting called for in Executive Order 14005, indicates that no domestic source exists for the project and/or component;
- d) Completed waiver applications for each comparable bid and/or offer.

False Statements: Per 49 USC § 47126, this certification concerns a matter within the jurisdiction of the Federal Aviation Administration and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code.

CERTIFICATION REGARDING LOBBYING

The Bidder or Offeror certifies by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Bidder or Offeror, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

CERTIFICATION OF OFFEROR/BIDDER REGARDING TAX DELINQUENCY AND FELONY CONVICTIONS

The applicant must complete the following two certification statements. The applicant must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications

- 1) The applicant represents that it is () is not (☒) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.
- 2) The applicant represents that it is () is not (☒) a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Note

If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the Sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests. The applicant therefore must provide information to the owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

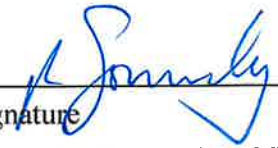

Felony conviction: Felony conviction means a conviction within the preceding twenty four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. Code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 USC § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

KNOW ALL MEN BY THESE PRESENTS:

That we, McGuire and Hester, as Principal, and Western Surety Company, as Surety, are held and firmly bound unto Truckee Tahoe Airport District, State of California, (hereinafter called "District") in the sum of ten percent (10%) of the total aggregate amount of the bid of the Principal above named, submitted by said Principal to District for the work described below, for the payment of which sum in lawful money of the United States, well and truly to be made, we bind ourselves, our heirs, executors, administrators, and successors, jointly and severally, firmly by these presents. In no case shall the liability of the Surety hereunder exceed the sum of Ten Percent (10%) of the Total Aggregate Amount of the Bid of Principal (\$ _____). The condition of this obligation is such that a bid to District for certain construction specifically described as follows, for which bids are to be opened on April 16, 2025, has been submitted by Principal to District:

(Copy here the exact description of work, including location, from bid form):

Reconstruct Apron A2, Truckee, CA

NOW, THEREFORE, if the aforesaid Principal shall not withdraw said bid within the period specified therein after the opening of the same, or, if no period be specified, within ninety (90) days after said opening, and shall within the period specified therefor, or, if no period be specified, within five (5) days after the prescribed forms are presented to him/her for signature, enter into a written contract with District, in the prescribed form, in accordance with the bid as accepted, and file the two bonds with Owner, one to guarantee faithful performance and the other to guarantee payment for labor and materials, as required by the Contract Documents, then this obligation shall be null and void; otherwise, it shall be and remain in full force, virtue and effect. And the said Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of said contract or to the work to be performed thereunder or the specifications accompanying the same shall in any manner affect its obligations on this bond, and it does hereby waive notice of any such change, extension, alteration, or addition.

In the event suit is brought upon said bond by District and Judgment is recovered, then Surety shall pay all costs incurred by District in such suit, including a reasonable attorneys' fee to be fixed by the Court. Death of the Principal shall not relieve Surety of its obligations hereunder.

Authorizing By-Laws and Resolutions

ADOPTED BY THE SHAREHOLDERS OF WESTERN SURETY COMPANY

This Power of Attorney is made and executed pursuant to and by authority of the following By-Law duly adopted by the shareholders of the Company.

Section 7. All bonds, policies, undertakings, Powers of Attorney, or other obligations of the corporation shall be executed in the corporate name of the Company by the President, Secretary, and Assistant Secretary, Treasurer, or any Vice President, or by such other officers as the Board of Directors may authorize. The President, any Vice President, Secretary, any Assistant Secretary, or the Treasurer may appoint Attorneys in Fact or agents who shall have authority to issue bonds, policies, or undertakings in the name of the Company. The corporate seal is not necessary for the validity of any bonds, policies, undertakings, Powers of Attorney or other obligations of the corporation. The signature of any such officer and the corporate seal may be printed by facsimile.

This Power of Attorney is signed by Larry Kasten, Vice President, who has been authorized pursuant to the above Bylaw to execute power of attorneys on behalf of Western Surety Company.

This Power of Attorney may be signed by digital signature and sealed by a digital or otherwise electronic-formatted corporate seal under and by the authority of the following Resolution adopted by the Board of Directors of the Company by unanimous written consent dated the 27th day of April, 2022:

"RESOLVED: That it is in the best interest of the Company to periodically ratify and confirm any corporate documents signed by digital signatures and to ratify and confirm the use of a digital or otherwise electronic-formatted corporate seal, each to be considered the act and deed of the Company."

QUESTIONS/ANSWERS:

- Q1.** What is the Engineer's Estimate for the project for bonding purposes?
- A1.** \$4,500,000.
- Q2.** Are the ASR requirements stated in the P-610 specification, Section 610-2.1a, as meeting P-501 reactivity test requirements an option relevant to the P-610 or is this the requirement?
- A2.** The ASR requirements included in the FAA P-501 reactivity test requirements is an option. The aggregates must meet the requirements of Section 610-2.1a OR the requirements of the FAA P-501 specification.
- Q3.** For the Snowmelt Apron, is there any additional slab insulation requirements under the concrete, i.e. R-10 rated foam board?
- A3.** There are not any additional slab insulation requirements under the concrete.
- Q4.** Detail A and C on sheet 19 shows P-209 aggregate base under the trench drain and DI. Is the P-209 incidental to these items or will it be quantified and paid for under the P-209 bid item?
- A4.** P-209 under the trench drain and DI is incidental to these items.
- Q5.** 42" Water filled jersey barrier is to be provided by the contractor, will the lights to be mounted on top be provided by the owner, or should this be provided by the contractor as well?
- A5.** The owner will have some lights available, however they may not attach to the contractor provided jersey barriers. Contractor should provide lights for these unless they can properly attach the owner's lights to these barricades.
- Q6.** Sheet 3 of the plans for Phase 1A states that Phase 1 and 1 A shall be completed prior to start of Phase 2. If the phase 1 and phase 2 work is combined, does the phase 1A still have to be completed prior to the combined phasing of 1 & 2? If so, I do not believe there is enough working days allotted for that.
- A6.** If Schedule B is awarded and the entire project is completed in a single phase, Phase 1A can be completed simultaneously with the rest of the project during the combined single phase.

- Q7.** If the phase 1 and phase 2 work is combined and phase 1A is allowed to be completed during that timeframe, what does the traffic control (barricade setup) look like for the combined phasing, especially around the phase 1A work? Will travelers be walking through the work zone area, does the contract need to provide a walking path or will the airport provide a detour for them outside of the work zone?
- A7.** If Schedule B is awarded and the entire project is combined into a single phase, the barricades shown on the plans for the individual phases will still be required with the following changes:
- Contractor Storage and Staging Area for Phase 1 will not be available for Schedule B, thus barricades will not be placed around the Phase 1 storage area.
 - Jersey style barricades and barricades around Phase 1A will not be required as travelers will not be walking through the work zone area for the combined phase.
 - Travelers will not be walking through the work zone area. The airport will provide a detour and travel paths outside of the construction work zone from the terminal building to the airfield if work is performed in a single combined phase. Contractor will not have to provide this detour.
- Q8.** The pavement thickness in the plans show 4", in the Pavement section notes on sheet 11, #9, states that the asphalt surface course to be placed in two lifts. Will a single 4" lift be allowed?
- A8.** No. The asphalt surface course will be required to be placed in two separate 2" lifts, per the note.

It is necessary that you acknowledge receipt of this addendum in your proposal.

This Addendum No. 2 includes the following:

- Answers to questions from potential bidders.

QUESTIONS/ANSWERS:

Q1. If the PRIME is a SBA Certified Small Business, is the Fostering Small Business Participation form required? If so, does the PRIME represent itself under the Small Business Firms to be Utilized section of the form or how is this to be represented?

A1. If the PRIME is a SBA Certified Small business, these forms are still required to be filled out. The PRIME would list itself as the Prime Contractor and Small Business Firms to be Utilized sections.

Q2. In reference to the following proposal forms, will the District consider allowing the Apparent 3-Low Bidders time to submit the information AFTER bid time? This is a lot of information to gather and submit under the bid time constraints while simultaneously closing a bid of this magnitude.

Bidders List Collection Form
Fostering Small Business Participation
Non-Certified Small Business Verification Form

A2. It will be acceptable to the District to receive these three forms AFTER bid time. Due to upcoming project funding deadlines, the District can allow these three forms to be submitted up to 2 business days after the bid. They will be due to the District no later than April 18 at 1:00pm, if they are not submitted with the bid.

- Q3.** Is the District requiring only the Prime Contractor's CARB certificate at the time of bid? Caltrans allows 10 days to submit this information for Subcontractors per Section 2-1.11. Please confirm.
- A3.** It will be acceptable to the District to only receive the Prime Contractor's CARB certificate at the time of bid along with the Fleet Compliance Certification form. Due to upcoming project funding deadlines, the District can allow CARB documentation for subcontractors to be submitted up to 2 business days after the bid. This Subcontractor CARB documentation will be due to the District no later than April 18 at 1:00pm, if it is not submitted with the bid.

It is necessary that you acknowledge receipt of this addendum in your proposal.
