Item 6. The State of GA Maintenance ANNUAL SURVEY 2026

A new survey shows that the general aviation maintenance industry is under pressure from rising costs, supply chain disruptions, and persistent staffing shortages. Drawing on more than 600 responses from maintenance shops and providers across the United States, the report captures a real-time view of the challenges, opportunities, and operational realities shaping GA maintenance today, according to TBX officials. By Janice Wood, editor of General Aviation News.
