Item 1 – Future Plans for Modular

Staff will briefly discuss options for utilization of Finance Department modular.

Item 2 – Progress on Agreements with SRA regarding Flight Tracking System

Kevin Bumen will update the Board on progress with SRA to reach a mutually agreeable settlement on our contract.

Item 3 – Runway 10/28 and 1/19 Load Bearing Posted Limit update

We are working through the FAA process to change the posted load bearing limit for Runway 1/19 from its current posted limit of 12,500 lbs to 35/50 and change Runway 10/28 from 60/100 to 50/80. Staff will provide an update on the status and timeframe to implement these changes.

Item 4 – Airport Café Update

This is a constantly moving target. We have made some positive progress and have a couple of very qualified candidates willing to assume the current lease through its term which ends in February 2013. Staff will provide more information at the meeting.

Item 5 – Project Tracking List

To assist in your review, items listed in red have new information and updates. The Priority color key is as follows:

RED: High Priority. Staff is currently working on the project.

ORANGE: Medium Priority.

BLUE: Low Priority.
