

ACAT

Board Report

Andrew Terry

- Outreach
 - Ramping up outreach
 - Contacted service organizations, but little interest
 - Visibility at upcoming events
e.g. Truckee clean-up day on June 2nd
- Joint Meeting
 - Want to identify problem(s) to be addressed
(Then we can attempt to address them)
 - Note that all conceivable solutions are compromises

Status (cont.)

- iPad
 - ACAT want to use their personal eMail accounts
 - Generic ACAT communication via info@truckeetahoeairport.com
- UC Davis Symposium
 - Learned a lot about the applicability of RNAV for Truckee
 - Concentration of equipped airframes
 - Bent the FAA's ear about visual RNAV arrival procedure and vertical guidance on 1/19
