

**Welcome to Truckee**  
*This is Your airport*

Truckee Tahoe Airport District  
September 2011

## At Truckee Tahoe Airport...

- Our goal is to inform and engage the community, to serve its needs in the best possible
- We realize the importance of this asset to our community and also acknowledge its impact.
- We want to work with you to maximize the benefits of this asset...

### Emergency services

Airport participation promotes faster response

### Support for fire safety

Fire districts benefit from airport facilities

### Public safety training

The airport enhances opportunities for all agencies

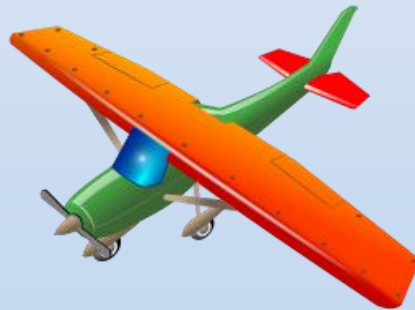

### Promote tourism

We depend on visitors to support the community

## Truckee Tahoe Airport

*The hub of a community*

### Community & school participation

Activities such as the Santa Fly-In provide learning & fun

### Recreation opportunities

Your airport provides many local activities such as tours & the golf course

### Trails for all activities

Hiking, biking, running, cross country skiing

### and so much more...

We're committed to building a better community

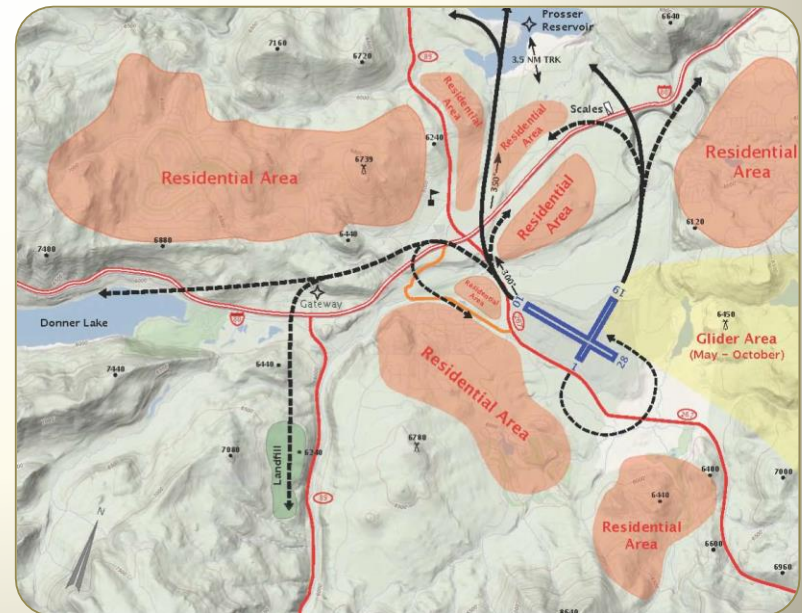

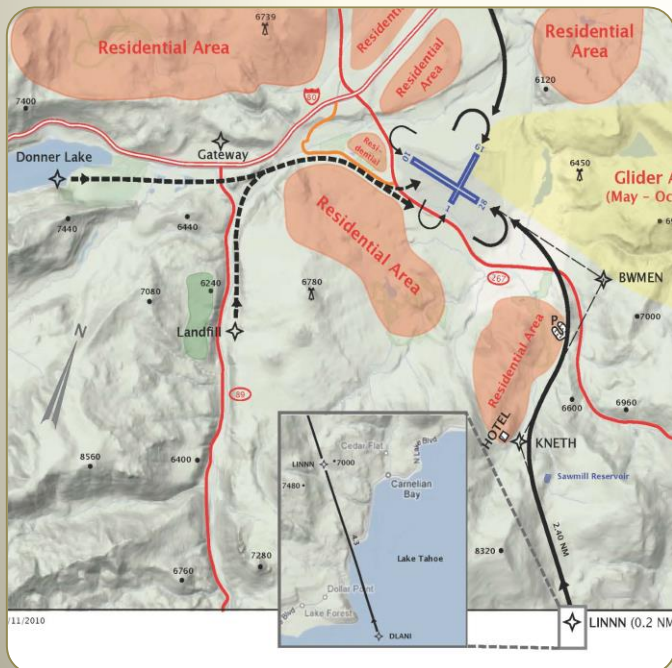

## At Truckee Tahoe Airport...

We inform pilots regarding the safest and friendliest way to approach Truckee Tahoe Airport...

...and point out departure procedures that will minimize the impact on our neighborhoods without compromising safety.

## We Need Your Input

**Your input gives us the information we need to mitigate annoyance and enhance the lifestyle we all enjoy.**

Pilots are on the first line of noise abatement efforts. By adhering to the procedures and honoring our curfew, you can make a great contribution to the Fly Quiet program. If everyone takes it seriously, it make's everyone's life smoother.

### General VFR Noise Procedure Policies

- **Use best angle (Vx) for first 500 feet**
- **Avoid shallow climbs**
- **Avoid flight over residential areas**
- **Pattern altitude**
- **Curfew**
