

ACAT

# Board Report

Andrew Terry

- **Community Outreach Presentation**
  - Updated to TTAD standard
  - Another iteration of refinement for content
- **Whispertrack**
  - Additional benefits if partner airports have it
  - Piggy-back on Pilot roadshow efforts ?
- **Airport Operations Monitoring Policy**
  - Released to staff to format for Board action

## Status (cont.)

- iPad
  - Dry-run with Board Package
  - Potential iPad application may duplicate some Whispertrack functions
- Repositioning
  - Initial analysis suggests 1% of operations
  - But no insight to why (yet)
- Airport Operations Monitoring Policy
- Staff Availability may curtail some immediate efforts

## Status (cont.)

- Wolfgang and Gerald's last meeting
