

TRUCKEE TAHOE AIRPORT DISTRICT
BOARD OF DIRECTORS AGENDA ITEM SUMMARY

Topic: Pavement Maintenance

Purpose	Information:	Guidance:	Decision: X
Recommendation	Authorize the expenditure of budgeted monies for the pavement work as described.		
Last Action	The Board of Directors budgeted \$312,000 for pavement repairs and maintenance for fiscal year 2010-2011 (budget line item 128). Staff submitted a plan for desired pavement work to the engineer conducting the pavement survey for concurrence and pricing.		
Discussion	<p>The proposed pavement maintenance projects are;</p> <ul style="list-style-type: none"> → Fog seal and stripe Runway 1-19 and Taxiway G, N, O, V, Q, S. → Saw cut additional control joints in the pavement around Hangar Rows M & L, and Taxiway T, as recommended by the engineer. → Fog seal and stripe the pavement around Hangar Rows M & L and Taxiway T. → Resurface the raveling pavement at the north end of Hangar Rows C, D, G, and H. → Repair the severe cracking of the pavement of the blast pads of Runway 1 and 19, and some of the more severe cracks on Taxiway A. → Stripe areas of the airfield where markings are sub-standard, such as Taxiways A, E, D, F, B, J, C, M, H, I. Runway 10-28 will also be striped, if rehab work on that runway is postponed. <p>The engineers' comments are attached. The engineer will provide pricing prior to the May 26 Board meeting.</p>		
Fiscal Impact	Up to the budgeted amount of \$312,000 will be spent on pavement maintenance and repairs.		
Communication Strategy	Notices will be sent out in the hangar bills, the projects will be posted on the TTAD website, and NOTAMS as appropriate will be issued.		
Attachments	<ol style="list-style-type: none"> 1. Engineers' comments. 2. Project map.
