Dear Mr. Smith;

The purpose of this letter is to indicate Placer County's interest in acquiring your 1975 Idaho-Norland snow blower, Model 1-3000, serial number 1058. It is our understanding that this snow blower will become surplus equipment after you test and inspect your recently purchased snow blower and put it into service. Thank you for considering us as possible recipients.

Our existing fleet is aging, and we utilize similar (vintage and model) blowers as front line pieces of equipment. This addition will be a definite improvement to our snow removal operation.

Please contact me at your convenience if you have any questions or need any additional information. You can reach me via e-mail at ktaber@placer.ca.gov, or at 530-889-7565.

Sincerely,

County of Placer
