Staff Lead Hardy S. Bullock

ACAT Projects Update

1. Airport Trails Master Plan: Underway with anticipated completion July or August of 2015
2. Mountain Top AWOS: Underway with FAA consideration and Staff support. Next milestone is estimated cost(s) placement options
3. Noise Monitors: Subcommittee bringing scope forward so Staff can get a market assessment to vendors
4. Emergency Preparedness: Subcommittee has a lot of info. Not the highest priority, will be addressed in the upcoming Airport Wide Safety Assessment by Convergent Performances LLC. Estimated delivery June 1, 2015
5. Night Operations: Subcommittee is exploring a policy regarding night ops for Board consideration, the voluntary curfew has been changed to 10PM-7AM, Staff is updating all info. Hangar incentives changes are pending subcommittee review.
6. Growth Management: Subcommittee is working with Board on the Mead&Hunt Demand Drivers Project.

Board Project Interests

Projects the Board is Interested in:

1. Diesel Aircraft Technology: Staff is working with Sierra Aero, RedBird, and Leigh Golden to get the project off the ground
2. Residential Noise/Sound Insulation: Staff has a consultation agreement for Alder Creek Middle school noise insulation project from HMMH and C'Kell Smith & Associates for \$22,000 for design, permits, managements, admin, testing etc.
3. Noise Abatement Procedures versus Dispersion: Additional direction required. ACAT discussed looking at this during their annual planning meeting in February 2016. Board direction required.
4. Noise Monitors: Being handled by ACAT subcommittee Croyle/Anderson.
