The 3 Rings of Survival

Surviving a Forced Landing

Jason Miller, CFII ATP

The 1st Ring

If no one knows where you are,
they can't come save you.

- Flight Plan
- Flight Following
- ELT
- PLB
- iPhone

The 2nd Ring

Knowing roughly where you are doesn't mean they can find the crash site.

- Signal mirrors
- Laser flares
- Transceivers
- Aircraft radios
- Smoke signals
- Head lamp*

The 3rd Ring

So close, yet so far away.
Get the rescuers precisely to you.

- Whistle
- Rescue streamers
- Surveyor's tape
- Smoke signals
- Head lamp
- Markers*
