 **OPEN**
Runway Available

 **CLOSED**
Runway Unavailable

 **TFR**
Temporary Flight Restriction

 **SCHEDULE SUBJECT TO CHANGE**
Times may flex based on real-world events, weather, temperatures, and other factors.

WHO IS IMPACTED?

-  All pilots operating at KTRK: June 3, June 9–11, June 19, and June 20 runway and airspace restrictions.
- Hangar tenants in Rows Alpha, Charlie, Delta, and Echo: L-bracket installation.
- West-facing hangars in Rows Charlie and Delta: Weather-stripping installation.

PLEASE PLAN AHEAD

-  Please allow additional time for aircraft movements and contractor activity in affected hangar rows.
- Temporary access restrictions may occur while lifts and equipment are operating.

L-BRACKET INSTALLATION

-  Rows Alpha, Charlie, Delta, and Echo. Work is underway and expected to continue through next month.

WEATHER-STRIPPING INSTALLATION

-  West-facing hangars in Rows Charlie and Delta. A contractor will install astragal weather stripping over the next several weeks.

 **IMPORTANT NOTICE** Schedules may change due to weather, temperature requirements, contractor operations, equipment availability, or other operational requirements.
Always check current NOTAMs before flight. Official NOTAMs are the authoritative source for runway closures, TFRs, restrictions, and airport operating conditions.
