A \$50.00 non-refundable deposit must accompany this application. In addition, an annual maintenance fee of \$10.00 will be assessed each year until a hangar is assigned. Make checks payable to Truckee Tahoe Airport District (TTAD). Hangar assignment, transfer and use rules and regulations and fees are subject to change at any time without prior notice. An application for assignment or transfer does not create a vested right in any District facilities. Waiting lists may be terminated at any time and being on a waiting list does not guarantee future occupancy of a hangar. The right to occupy any hangar requires the issuance of a Hangar Lease Agreement and compliance with its terms and other District rules and regulations.

I have received a copy of this T-Hangar Transfer List Application and agree to its terms.

Hangar rental rates are adjusted with an annual CPI increase on September 1st of each year. Individual rental rates are determined upon assignment. Assignments are made depending on the aircraft you have, or intend to purchase, at the time of assignment. You will be assigned a hangar appropriate to the size of the aircraft.
