TRUCKEE TAHOE AIRPORT DISTRICT OPERATIONS & MAINTENANCE TECHNICIAN I

FULL-TIME PERMANENT

Wage: \$31.15 – \$42.84/hour

OPEN UNTIL FILLED

The Truckee Tahoe Airport District's Operations/Maintenance Department seeks an individual for a full-time, OPERATIONS & MAINTENANCE TECHNICIAN I.

A successful candidate will have an excellent work ethic, willingness to cooperate with teammates, the ability to exercise initiative, and the ability to perform all work safely. This is an entry level position. Experience in general aviation airport operations, aviation communications and heavy equipment maintenance is a plus. This position places an emphasis on airport operations, customer service and sales, snow removal, aircraft fueling, ramp services, janitorial duties, airfield maintenance, and airport security.

Applicants must have a valid driver's license with no uninsurable convictions. While performing the duties of this job, the employee is required to stand, sit, demonstrate manual dexterity, climb stairs and ladders, and work on elevated platforms. Work is performed in all climatic and lighting conditions inside and outside. Work is often performed in noisy and hazardous conditions near moving equipment and aircraft. Employees work with and near hazardous materials and fluids. Employees may be required to lift moderately-heavy to heavy objects (up to 60 pounds or more) during the course of the workday.

The position will work a four (4) ten (10) hour shift, which may include early mornings, nights, weekends, and holidays. The work schedule and/or hours are subject to change as seasonal and/or air traffic demands fluctuate.
