A non-refundable fee of \$500.00 must accompany this application. An individual is not confirmed to be placed on the wait list until both the application and fee are received by the District. Make checks payable to Truckee Tahoe Airport District (TTAD). Hangar assignment, transfer and use rules and regulations and fees are subject to change at any time without prior notice. An application for assignment or transfer does not create a vested right in any District facilities. Waiting lists may be terminated at any time and being on a waiting list does not guarantee future occupancy of a hangar. The right to occupy any hangar requires the issuance of a Hangar Lease Agreement and compliance with its terms and other District rules and regulations.

I have received a copy of this T-Hangar Wait List Application and agree to its terms.
