

# KTRK Familiarization Program

The program is designed to inform itinerant, local, and student pilots of Truckee's unique aeronautical ecosystem. The program goal is to enhance the knowledge of Truckee's local airspace and the surrounding area to ensure proficiency with prescribed procedures. Feel confident flying at the Truckee Tahoe Airport. Learn skills from a local CFI and help the airport be a great neighbor!

## Who qualifies?

Open to all pilots  
and student pilots

**Value:** \$150

## SCOPE: Complete steps 1...2...3...

- 1) Go to [truckeetahoeairport.com](http://truckeetahoeairport.com) and choose a CFI that will best suit your needs—you can't go wrong! Coordinate a flight time that works for the both of you.
- 2) Let us know you're coming! Fill out KTRK Familiarization form located on the KTRK Website under 'Flight Planning'.
- 3) FLY! You will spend 1.5 hours with a local KTRK CFI learning our Truckee Familiarization Course.

### What You'll Learn

- ✦ Common visual reporting points
- ✦ Safety factors unique to Truckee
- ✦ Procedures for arrivals and departures

### Requirements

- ✦ Must provide your own airworthy aircraft
- ✦ Fly with a KTRK accredited CFI
- ✦ Be a student or certificated pilot
- ✦ One (1) flight per pilot

### Upon Completion

- ✦ CFI must submit a picture of the pilot's logbook entry indicating the following: KTRK-KTRK and notes illustrating a demonstration of Truckee Check-Out, CFI Endorsement and the pilot's name
- ✦ Aircraft flight track will be correlated to confirm it complies with NAP guidelines
- ✦ Pilot receives a 'Fly Quiet' t-shirt

A list of CFI's is displayed on the KTRK website. Pilots are responsible for coordinating the flight with the accredited KTRK CFI. The KTRK CFI will dedicate 1.5 hours to the familiarization of KTRK's Noise Program, safety and local knowledge elements. After the flight, the CFI will submit an invoice to KTRK for an amount not to exceed \$150. Pilots are responsible for the cost of the airplane whether it be a rental or personal.

Visit [www.truckeetahoeairport.com](http://www.truckeetahoeairport.com), Aviation Information, Flight Planning for complete details.

\*INSURANCE CLAIM: CFI IS REQUIRED TO HOLD LIABILITY INSURANCE AND THE PILOT MUST SUBMIT A COPY OF THEIR INSURANCE.
